CHARLES PROWELL Woodworks, based in Sonoma County, California, makes custom-made wooden garden gates, modular fence panels, driveway gates, and lighted gate columns designed to reflect and embellish the style of a site.

A third-generation craftsman, Charles Prowell has been creating furniture and garden

structures for many years.

The craft is continued today by one of his sons, Ben Prowell. The craftsmanship and innovative designs are available for landscape architects, developers, builders, and homeowners alike.

You can view five galleries of more than 250 styles on the web site at www.prowellwoodworks.com.

Charles Prowell Woodworks offers more than 250 styles of custom-made wooden gates, modular fence panels, and lighted gate columns.
